WHAT IF

What if our students learn engineering, build agency and solve light poverty?

brilliantlabs.ca/sdg

WHAT IF

What if we shredded our garbage?

brilliantlabs.ca/sdg

WHAT IF

What if we made a filter to remove all chemicals being emitted?

brilliantlabs.ca/sdg

WHAT IF

What if the rubber on tires never wore?

brilliantlabs.ca/sdg

WHAT IF

What if there were no animals?

brilliantlabs.ca/sdg

WHAT IF

What if garbage were transported to space?

brilliantlabs.ca/sdg

WHAT IF

What if everyone had to know at least two languages?

brilliantlabs.ca/sdg

WHAT IF

What if all power was
motion sensored?

brilliantlabs.ca/sdg

WHAT IF

What if guns were banned?

brilliantlabs.ca/sdg

WHAT IF

What if WIFI were limitless?

brilliantlabs.ca/sdg

WHAT IF

What if there were an endless food supply?

brilliantlabs.ca/sdg

WHAT IF

What if floors generated power?

brilliantlabs.ca/sdg

WHAT IF

What if people never got angry?

brilliantlabs.ca/sdg

WHAT IF

What if LGBTQ2+ medical services were readily available?

brilliantlabs.ca/sdg

WHAT IF

What if we could create safe spaces for those struggling with mental health issues in public, and are unable to get home to a safe space?

What if New Brunswick were the lighthouse for global education?

brilliantlabs.ca/sdg

WHAT IF

What if gender was understood?

brilliantlabs.ca/sdg

WHAT IF

What if we lowered the voting age?

brilliantlabs.ca/sdg

WHAT IF

What if we re-evaluated our criteria for success?

brilliantlabs.ca/sdg

WHAT IF

What if a well balanced
life defined success?

brilliantlabs.ca/sdg

WHAT IF

What if we could celebrate our failures?

brilliantlabs.ca/sdg

WHAT IF

What if society made time for adults to have extra curricular activities?

WHAT IF

What if all students had access to extracurriculars of their choice?

WHAT IF

What if all students had access to philosophy classes?

WHAT IF

What if extra-curricular activities could be a part of the curriculum?

brilliantlabs.ca/sdg

WHAT IF

What if we stopped
killing animals for food?

brilliantlabs.ca/sdg

WHAT IF

What if the next 10 years are not enough?

brilliantlabs.ca/sdg

WHAT IF

What if we focused on the SDGs 30 years ago?

brilliantlabs.ca/sdg

WHAT IF

What if our prisons were wellness centres instead of detention centres?

brilliantlabs.ca/sdg

WHAT IF

What if there wasn't a low wage labour force?

brilliantlabs.ca/sdg

WHAT IF

What if everyone had access to decent jobs?

brilliantlabs.ca/sdg

WHAT IF

What if there were no grades on report cards?

brilliantlabs.ca/sdg

WHAT IF

What if all education was free?

brilliantlabs.ca/sdg

WHAT IF

What if the world adopted the happiness index?

brilliantlabs.ca/sdg

WHAT IF

What if there was no funding shortage in education?

brilliantlabs.ca/sdg

WHAT IF

What if the world adopted a three day weekend?

brilliantlabs.ca/sdg

WHAT IF

What if there were no schedules in schools?

brilliantlabs.ca/sdg

WHAT IF

What if schools had no bells?

brilliantlabs.ca/sdg

WHAT IF

What if we could find the cure to (insert condition here)?

WHAT IF

What if there was more collaboration in the world?

brilliantlabs.ca/sdg

WHAT IF

What if there were no
cultural barriers?

brilliantlabs.ca/sdg

WHAT IF

What if there were no
language barriers?

brilliantlabs.ca/sdg

WHAT IF

What if everyone was respectful of everyone else's beliefs?

brilliantlabs.ca/sdg

WHAT IF

What if there was world peace?

brilliantlabs.ca/sdg

WHAT IF

What if there was no food waste?

WHAT IF

What if we eliminated traditional testing methods in schools?

brilliantlabs.ca/sdg

WHAT IF

What if all students were engaged and attendance wasn't an issue?

brilliantlabs.ca/sdg

WHAT IF

What would it take to better engage students?

brilliantlabs.ca/sdg

WHAT IF

What if we could use leftover food from our cafeterias and put it back into the community?

brilliantlabs.ca/sdg

WHAT IF

What if we could feel the energy of trees?

brilliantlabs.ca/sdg

WHAT IF

What if our Community of the Future was on the moon?

WHAT IF

What if we explored our oceans with as much interest as we explore space?

brilliantlabs.ca/sdg

WHAT IF

What if prescription drugs were free?

brilliantlabs.ca/sdg

WHAT IF

What if everybody had access to vaccines?

brilliantlabs.ca/sdg

WHAT IF

What if our roads could melt the snow and ice?

brilliantlabs.ca/sdg

WHAT IF

What if all houses could contribute back to the grid?

brilliantlabs.ca/sdg

WHAT IF

What if our roads could
produce energy?

brilliantlabs.ca/sdg

WHAT IF

What if our roads did not interfere with wildlife?

brilliantlabs.ca/sdg

WHAT IF

What if our cars could work while we sleep?

brilliantlabs.ca/sdg

WHAT IF

What if every community had a sharing centre?

brilliantlabs.ca/sdg

WHAT IF

What if we had more available public transport?

brilliantlabs.ca/sdg

WHAT IF

What if our food waste could clean our land?

brilliantlabs.ca/sdg

WHAT IF

What if we turn pests into something that benefits us?

brilliantlabs.ca/sdg

WHAT IF

What if we made something that does the job of bees?

brilliantlabs.ca/sdg

WHAT IF

What if we got rid of pesticides?

WHAT IF

What if we had no more bees or pollinators?

brilliantlabs.ca/sdg

WHAT IF

What if we were not allowed to produce plastics anymore?

WHAT IF

What if we eliminated lawns?

brilliantlabs.ca/sdg

WHAT IF

What if our schools were forced to be green?

brilliantlabs.ca/sdg

WHAT IF

What if apartment complexes became green?

brilliantlabs.ca/sdg

WHAT IF

What if there was actual equality between women and men?

brilliantlabs.ca/sdg

WHAT IF

What if students were encouraged to follow their passions not their potential?

brilliantlabs.ca/sdg

WHAT IF

What if girls did not feel they had to give up their career paths?

brilliantlabs.ca/sdg

WHAT IF

What if homelessness
wasn't possible?

WHAT IF

What if our classroom was outside?

brilliantlabs.ca/sdg

WHAT IF

What if wearing used clothing became the norm?

brilliantlabs.ca/sdg

WHAT IF

What if our schools became shelters?

brilliantlabs.ca/sdg

WHAT IF

What if the community had access to our schools?

brilliantlabs.ca/sdg

WHAT IF

What if students were the teachers?

brilliantlabs.ca/sdg

WHAT IF

What if we used recycled materials to repair playground material?

brilliantlabs.ca/sdg

WHAT IF

What if our school buildings could do something for the community in the summer?

brilliantlabs.ca/sdg

WHAT IF

What if zero waste was the norm?

brilliantlabs.ca/sdg

WHAT IF

What if students could cook their own meals at school?

brilliantlabs.ca/sdg

WHAT IF

What if kids grew their own food to cook?

WHAT IF

What if we lived in a world with no money?

brilliantlabs.ca/sdg

WHAT IF

What if we could harness precipitation to create energy?

brilliantlabs.ca/sdg

WHAT IF

What if we could heat homes with just the sun?

brilliantlabs.ca/sdg

WHAT IF

What if you could flip the switch for a solar powered panel so it could either heat or cool?

WHAT IF

What if you could reuse 3D printed plastic projects?

brilliantlabs.ca/sdg

WHAT IF

What if we used grey water to create new energy?

WHAT IF

What if you could cook (pizza) without power?

brilliantlabs.ca/sdg

WHAT IF

What if we could provide lights to 1.3 B people living in light poverty?

WHAT IF

What if there were an 18th goal?

brilliantlabs.ca/sdg

WHAT IF

What if you could create awareness that would help your community reduce substance abuse?

brilliantlabs.ca/sdg

WHAT IF

What if adults finally realized kids really can change the world?

brilliantlabs.ca/sdg

WHAT IF

How can we engage government, NGOs, and the private sector in our local communities to get involved?

brilliantlabs.ca/sdg

WHAT IF

What if our students could influence our politicians to put pressure on the countries that still have a lot of gender inequalities?

brilliantlabs.ca/sdg

WHAT IF

What if our students could develop a curriculum for empathy?

WHAT IF

What if we could reduce
the decline of endangered
land species?

brilliantlabs.ca/sdg

WHAT IF

What if we could take our school curriculum outdoors?

brilliantlabs.ca/sdg

WHAT IF

What if we could reduce the decline of endangered marine species?

WHAT IF

What if we could measure air quality and create filters?

brilliantlabs.ca/sdg

WHAT IF

What if students could create the best vegetarian patty for their cafeteria?

brilliantlabs.ca/sdg

WHAT IF

What if we could eliminate single use products, and what would it take?

brilliantlabs.ca/sdg

WHAT IF

What if we could have large aquariums to raise our own fish?

brilliantlabs.ca/sdg

WHAT IF

What if students could make reusable bags out of old clothes?

brilliantlabs.ca/sdg

WHAT IF

What if we could reduce pollution from the fishing industry?

brilliantlabs.ca/sdg

WHAT IF

What if we could implement sustainable and safe containers for all medicines?

brilliantlabs.ca/sdg

WHAT IF

What if we could create an improved labour supply initiative?

brilliantlabs.ca/sdg

WHAT IF

What if we could create solutions to poverty and limited food access during and after natural disasters?

brilliantlabs.ca/sdg

WHAT IF

What if, we based our curriculum on Indigenous teachings?

brilliantlabs.ca/sdg

WHAT IF

What if we could do a sticker or a button campaign to help raise awareness for problems in communities.

brilliantlabs.ca/sdg

WHAT IF

What if we could increase access to mental health services and initiatives in Indigenous communities?

brilliantlabs.ca/sdg

WHAT IF

What if we could develop large scale aquaponic systems to increase access to natural foods for communities?

brilliantlabs.ca/sdg

WHAT IF

What if students could manufacture their own multi use products?

brilliantlabs.ca/sdg

WHAT IF

What if every we make an item from plastic, it needs to have more than one purpose?

brilliantlabs.ca/sdg

WHAT IF

What if the future of sustainable housing involves shipping containers or modular homes? Will we live below ground? Tall stacks? How will this look and function?

WHAT IF

What if we could move to the next step from raising awareness about saving the turtles to actually creating a product that would detect and remove plastic straws from our landfills before they reach the water?

brilliantlabs.ca/sdg

WHAT IF

How can you empower women locally and globally to tap into their skills and present their ideas to close the poverty and equality gap?

brilliantlabs.ca/sdg

WHAT IF

African women collectively spend 40 billion hours annually fetching water. What if we could bring the water to them using science and technology?

brilliantlabs.ca/sdg

WHAT IF

Of the 8300 animal breeds known 8% are extinct and 22% at risk. What would a modern animal sanctuary look like to better protect against further loss?

brilliantlabs.ca/sdg

WHAT IF

By 2050, 66% of all humans will live in urban cities. What if we could start designing lodging now, to handle this urban population explosion?

brilliantlabs.ca/sdg

WHAT IF

What if housing could be flood, fire and earthquake proof?

brilliantlabs.ca/sdg

WHAT IF

What if you reuse glassware along with 3D printed caps to create an miniature aquaponic system?

WHAT IF

How might we get the capacity to do the projects that are exciting to students, but are far beyond the expertise of teachers?

brilliantlabs.ca/sdg

WHAT IF

What if our jewelry could tell others about our mental health?

brilliantlabs.ca/sdg
